[www.nwbank.com](http://www.nwbank.com)

**Northwestern Bank**

## Native Plant Rescue

You can help protect our native wildflowers! Our dedicated group of volunteers works with willing landowners to dig wildflowers from the area of the property to be developed. The rescued plants are available for sale at the District's May plant sale. All proceeds from the seedling and plant sales provide vital sustaining funds for the District. If you know of a site slated for development or would like to become a rescue volunteer, please call 941.0960 or email [rteahen@gtcd.org](mailto:rteahen@gtcd.org)

## Thank You!

The tree & shrub seedling sale held last month was a great success! We had more new customers and more walk-in customers than ever before! The seedling and plant sales are vital fundraisers to support our work to inspire exploration, appreciation, and conservation of our natural world. Thank you for your support, and we'll look forward to seeing you at the plant sale!

## Volunteers Needed

The Grand Traverse Conservation District will be manning an aid station during the Bayshore Marathon. We need 15 volunteers to help us support the runners! The race is May 26th, 2007 (Memorial Day weekend) and we'll need to staff the aid station from 6:30 a.m. to approximately 11:00 a.m. Please call or email if you'd like to join us for all or part of this fun day!

Please share this E-Newsletter with your friends and family. Visit [www.gtcd.org](http://www.gtcd.org) to support GTCD online or subscribe/unsubscribe to the District's monthly Enews.
